FUSION competition teams

Congratulations, Dancers!

We are incredibly proud of each and every one of you and all that you've accomplished. Earning your place at Fusion is something to celebrate, and we are beyond excited to begin the 2026–2027 dance season with such a talented, passionate, and hardworking group of dancers.

At Fusion, we are building something truly special and it starts with YOU. Fusion Dance Company is so much more than a dance program. It is a family and a community made up of dancers, parents, instructors, friends, and supporters who encourage one another every step of the way. The friendships created here last a lifetime, and the experiences shared help shape our dancers not only into stronger performers, but into confident, respectful, and resilient young people.

As we enter another exciting season together, we ask everyone, especially our parents, to help us continue fostering the positive, uplifting environment that makes Fusion so special. Your attitude, encouragement, and support set the tone for our dancers and play a huge role in our team culture.

Please note that all placement decisions are final. We kindly ask that parents refrain from emailing instructors or requesting meetings regarding placements. If dancers have questions, they are always welcome to speak directly with their teachers once classes begin. We believe this encourages responsibility, growth, and confidence within our dancers.

To confirm your dancer's spot, please register for your assigned team by Sunday, June 8th. Team registrations will open on June 2nd. We are also currently looking for Team Moms for each group! If you are interested in helping support your dancer's team throughout the season, please reach out to lexi@thefusiondancer.com.

This is truly an incredible group of kids, and we cannot wait to kick off another unforgettable year filled with growth, teamwork, memories, and amazing moments on stage. Congratulations dancers!
Let's make this season the best one yet!

Janice, Haleigh, Lexi
